## Tinc un pensament per a tu

*Quan ets lluny de mi/ jo espero impacient tornar-te a veure*

Tinc un pensament per a tu.

Tot just despertar-me,  
tot just quan és l'hora de llevar-me,  
ja tinc un pensament per a tu.  
Em passo les hores  
mirant un rellotge que no avança  
i tinc un pensament per a tu.

Per sempre, per sempre,  
saber que ens tenim l'un a l'altre.  
Per sempre, per sempre,  
volem estar junts, que si em faltes.  
Per sempre, per sempre,  
saber que ens tenim l'un a l'altre.  
és com si sigués part de mi.

El meu cap no para  
durant tot el dia sempre penso  
que tinc un bon desig per a tu.

Quan ets lluny de mi  
jo espero impacient tornar-te a veure.  
No deixo de pensar en tu.

Per sempre, per sempre,  
saber que ens tenim l'un a l'altre.  
Per sempre, per sempre,  
volem estar junts, que si em faltes.  
Per sempre, per sempre,  
saber que ens tenim l'un a l'altre.  
és com si es perdés part de mi.

Amor m'has de creure:  
no hi ha ningú per mi com tu,  
tal com ets tu,  
tinc un pensament per a tu.

I say a little prayer for you

The moment I wake up  
Before I put on my make up  
I say a little pray for you

While combing my hair now  
And wondering what dress to wear now  
I say a little prayer for you

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

I run for the bus, dear  
While riding I think of us, dear  
I say a little prayer for you

At work I just take time  
And all through my coffee break time  
I say a little prayer for you

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

My darling, believe me  
For me there is no one but you  
Please love me too  
Answer my prayer

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me
