# El Bella ciao de Tom Waits i Marc Ribot

*Oh, partigiano, please take me with you*

Tom Waits canta l'himne antifeixista italià al nou disc del guitarrista estatunidenc Marc Ribot, *Songs Of Resistance 1942-2018*. La cançó ha estat adaptada a l'anglès, però també a l'actualitat: el vídeo, dirigit per Jem Cohen, denuncia el racisme de Trump.

## **Goodbye Beautiful**

One fine morning I woke up early  
Bella ciao, bella ciao, bella ciao  
One fine morning I woke up early  
Find the fascist at my door

Oh, partigiano, please take me with you  
Bella ciao, bella ciao, goodbye, beautiful  
Oh, partigiano, please take me with you  
I'm not afraid anymore

And if I die, oh, partigiano  
Bella ciao, bella ciao, goodbye, beautiful  
Bury me upon that mountain  
Beneath the shadow of the flower

Show all the people, the people passing  
Bella ciao, bella ciao, goodbye, beautiful  
Show all the people, the people passing  
And say "oh, what a beautiful flower".

This is the flower of the partisan  
Bella ciao, bella ciao, bella ciao  
This is the flower of the partisan  
Who died for freedom  
This is the flower of the partisan  
Who died for freedom
