Man of the Hour

Young men they pretend/ Old men comprehend

V?deo: https://www.youtube.com/watch?v=tmx9As_mPHQ

Tidal waves don't beg forgiveness

Crashed and on their way

Father he enjoyed collisions; others walked away

A snowflake falls in may

And the doors are open now as the bells are ringing out

'Cause the man of the hour is taking his final bow

Goodbye for now

Nature has its own religion

Gospel from the land

Father ruled by long division, young men they pretend

Old men comprehend

And the clouds breaks at dawn; shedding light upon this town

They'll all come around

'Cause the man of the hour is taking his final bow

Goodbye for now

And the road

The old man paved

The broken seams along the way

The rusted signs, left just for me

He was guiding me, love, his own way

Now the man of the hour is taking his final bow

As the curtain comes down

I feel that this is just goodbye for now
