*How many roads must a man walk down/ before they call him a man?*

How many roads must a man walk down

before they call him a man?

How many seas must a white dove sail

before she sleeps in the sand?

How many times must the cannon balls fly

before they're forever banned?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wind

How many years can a mountain exist

before it's washed to the sea?

How many years can a man exist

before he's allowed to be free?

How many times can a man turn his head

and pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wind
