

Can't Help Falling in Love

Take my hand,/ Take my whole life, too

V?deo: <https://www.youtube.com/watch?v=vGJTaP6anOU>

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay?
Would it be a sin
If I can't help
Falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand,
Take my whole life, too
For I can't help
Falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand,
Take my whole life, too
For I can't help
Falling in love with you
For I can't help
Falling in love with you
